CAREER OBJECTIVE

Artificial Intelligence and Data Science student seeking an internship to apply my programming and problem-solving skills, gain hands-on industry experience, learn from real-world projects, and contribute to innovative technology solutions.

WORK EXPERIENCE

Technical Team Member • Internship

Jul 2025 - May 2026

SHAIDS, Datta Meghe College Of Engineering, Navi Mumbai

- Managed and maintained the official SHAIDS DMCE website, ensuring smooth performance, regular updates, and an improved user experience.
- Built and deployed web solutions for major SHAIDS events, including the HackHive 2.0 intercollege hackathon website and the Glitched Game website for Technitude 2026.
- Developed new features, enhanced UI/UX, fixed bugs, and optimized website functionality to improve accessibility and engagement.
- Collaborated with the student team to plan, implement, and successfully launch event websites within deadlines.

EDUCATION

BE, Artificial Intelligence And Data Science Engineering

2024 - 2028

NYSS Datta Meghe College Of Engineering

CGPA: 9.36/10

TRAININGS / CERTIFICATIONS

Advanced Data Analysis And Visualization Using Python And Power BI

Aug 2025

SHAIDS, Navi Mumbai

Participated in a hands-on workshop on Advanced Data Analysis and Visualization using Python and Power BI. Learned data processing, visualization techniques, dashboard creation, and practical analytics skills through guided sessions.
